FIREPLACE SAFETY

Do you have a fireplace in your home? If so, you have probably enjoyed a fire in the last week or so. Nothing is more enjoyable than a good fire on a cool fall night.

I wish to share with you some safety tips for using your fireplace:

1) **CHECK** to make sure your fireplace was constructed to be used as a fireplace, not just for decoration. Have it inspected to determine whether it has all necessary linings and clearances.

2) **DON'T** use gasoline or other flammable liquids to rekindle a fire because the flammable vapors can explode. Never use fuels near a fire; explosive vapors can travel throughout a room.

3)**ALWAYS** keep the damper open while the fuel is burning to provide for efficient burning and to prevent the accumulation of explosive gases.

4) **DON'T** use coal, charcoal, or styrofoam packaging in a fireplace because they can produce deadly quantities of carbon monoxide.

5) Don't treat artificial logs (made from sawdust and wax) the same way you treat real wood logs. If artificial logs are stacked on top of each other they can explode.

6) Always use a screen around a fireplace to keep sparks from flying out. Don't put combustible materials, such as carpets or furniture, near a fireplace.

7) Keep children away from the fire because their clothes can easily ignite. Warn the entire family about this hazard.

8) Check fireplaces regularly to determine that all vents and chimneys are operating properly.

9) Be sure that all ashes have thoroughly cooled before you dispose of them.

10) Make sure the fire is out completely before retiring for the evening.

RECIPE OF THE WEEK

Hungarian Coffee Cake

One recipe of Richer Sweet Dough (See recipe below)
1/2 cup butter, melted
3/4 cup of sugar
1 teaspoon cinnamon
1/2 cup finely chopped nuts (I use pecans)
1/2 cup raisins (optional)

Pinch dough into balls the size of a walnut. Roll each in butter, then in mixture of sugar, cinnamon and nuts. Place one layer of balls in well greased tube pan. Sprinkle with raisins. Add another layer of balls. Sprinkle with raisins in crevices, pressing lightly. Cover and let rise for 45 minutes. Bake 35 to 40 minutes in 375 oven. Loosen from pan with saputla. Invert pan so butter and sugar runs down over it. To serve, break apart. (Let each person break her own with her fingers.)

Richer Sweet Dough

1 cup milk
1/2 cup sugar
1 teaspoon salt
2 pkg. dry granular yeast in 1/2 cup warm water
2 eggs
1/2 cup shortening
4 1/2 to 5 cups sifted flour

Add sugar, salt and shortening to milk in saucepan and heat to lukewarm. Add the yeast and eggs, slightly beaten. Add flour in 2 additions using the amount necessary to make it easy to handle. (For excellent eating and keeping quality keep dough as soft as possible--just so you're able to handle) Knead slightly. Place in a slightly oiled bowl, cover, and let rise 45 to 60 minutes.
